

nanotag™

Retractable, protected pin allows for quick one-hand application and removal while protecting your associates and customers from injuries.

KEY FEATURES

- > Hidden, protected retractable pin
- > Easy to verify correct application: if green marking on the button is visible, the tag is disengaged; if no green is visible, the tag is correctly and fully engaged
- > User-friendly alignment indicators help ensure proper tag placement
- > Ideal for self-checkouts
- > No need to separately sort and store tags and pins
- > Available in RF and AM
- > Custom colors available upon request

APPLICATIONS

- > Soft goods: denim, shirts and other apparel
- > Handbags and accessories
- > Ideal for lingerie and delicate merchandise
